PREAMBLE

The Independent School District No. 700 of Hermantown and Local 66 of the American Federation of State, County and Municipal Employees, AFL-CIO, representing employees covered by terms of these Rules and Regulations referred to hereinafter as the Union, do hereby reach an understanding agreement for the purpose of enhancing the material conditions of the employees, to promote the general efficiency of the transportation system of the Independent School District No. 700, and to promote the morale, well-being and security of the employees. The School District alone shall determine the manner and method of operating the business of the School District without any interference on the part of the Union or any of its representatives subject to the terms and provisions of this agreement. Nothing in this agreement shall be deemed to limit the School District in any way in the exercise of the regular and customary functions of management as legislatively empowered, except as expressly specified and modified herein.

ARTICLE 1

RECOGNITION

SECTION 1 SCHOOL DISTRICT RECOGNITION. In accordance with the P.E.L.R.A., the School District recognizes the Union as the exclusive representative for all employees in the classifications of Bus Driver and Bus Foreman employed by the School District, which exclusive representative, shall have those rights and duties as prescribed by the P.E.L.R.A. and as described in the provisions of this Agreement.

SECTION 2 EXCLUSIVE REPRESENTATIVE. The exclusive representative shall represent all such employees of the district contained in the appropriate unit as defined in Article 2, Section 2 of this Agreement and the P.E.L.R.A. and in certification by the Commissioner of Mediation Services, if any.

SECTION 3 COLLECT BARGAINING. All collective bargaining with respect to wages, hours, and working conditions shall be conducted by authorized representatives of the Union and authorized representatives of the Hermantown School District.

ARTICLE 2

DEFINITIONS

SECTION 1 TERMS AND CONDITIONS. The term "terms and conditions of employment" means the hours of employment, the compensation therefore including fringe benefits except retirement contributions or benefits other than employer payment of, or contributions to, premiums for group insurance coverage for retired employees or severance pay, and the employer's personnel policies affecting the working conditions of the employees. "Terms and conditions of employment" is subject to the provisions of P.E.L.R.A.

SECTION 2 BUS DRIVER AND BUS FOREMAN. For purposes of this Agreement, the term Bus Driver and Bus Foreman shall mean all persons in the appropriate unit employed by the school district in such classifications excluding the following: confidential employees, supervisory employees, essential employees, part-time employees whose services do not exceed the lesser of 14 hours per week or 35 percent of the normal work week in the employees bargaining unit, employees who hold positions of a temporary or seasonal character

for a period not in excess of 67 working days in any calendar year unless those positions have already been filled in the same calendar year and the cumulative number of days in the same position by all employees exceeds 67 calendar days in that year and emergency employees.

SECTION 3 ADMINISTRATION. For purposes of administering this Agreement, the term "School District" shall mean the School Board or its designated representative.

SECTION 4 TERMS NOT DEFINED. Terms not defined in this Agreement shall have those meanings as defined by the P.E.L.R.A.

ARTICLE 3

SCHOOL BOARD RIGHTS

SECTION 1 EXCLUSIVE REPRESENTATIVE. The exclusive representative recognizes that the school board is not required to meet and negotiate on matters of inherent managerial policy, which include, but are not limited to, such areas of discretion or policy as the functions and programs of the employer, its overall budget, utilization of technology, the organizational structure and selection and direction and number of personnel.

SECTION 2 RECOGNITION OF RIGHT AND OBLIGATION. The exclusive representative recognizes the right and obligation of the school board to efficiently manage and conduct the operation of the school district within its legal limitations and with its primary obligation to provide educational opportunity for the students of the school district.

SECTION 3 PERFORMANCE OF SERVICE. The exclusive representative recognizes that all employees covered by this Agreement shall perform the services prescribed by the school board and shall be governed by the laws of the State of Minnesota, and by school board rules, regulations, directives and orders, issued by properly designated officials of the school district. The exclusive representative also recognizes the right, obligation and duty of the school board and its duly designated officials to promulgate rules, regulations, directives and orders from time to time as deemed necessary by the school board insofar as such rules, regulations, directives and orders are not inconsistent with the terms of this Agreement. Any provision of this Agreement found to be in violation of any such laws, shall be null and void and without force and effect.

SECTION 4 OTHER INHERENT MANAGERIAL RIGHTS. The foregoing enumeration of rights and duties shall not be deemed to exclude other inherent management rights and management functions not expressly reserved herein, and all management rights and management functions not expressly delegated in this Agreement are reserved to the school district.

ARTICLE 4

EMPLOYEE RIGHTS

SECTION 1 RIGHT OF EXPRESSION. Nothing contained in this Agreement shall be construed to limit, impair or affect the right of any employee or representative to the expression or communication of a view, grievance, complaint or opinion on any matter related to the conditions or compensation of public employment or their betterment, so long as the same is not designed to and does not interfere with the full, faithful and proper performance of the duties of employment or circumvent the rights of the exclusive representative.

SECTION 2 RIGHT TO JOIN. Right to Join: Pursuant to P.E.L.R.A., employees shall have the right to form and join labor or employee organizations, and shall have the right not to form and join such organizations.

Employees in an appropriate unit shall have the right by secret ballot to designate an exclusive representative for the purpose of negotiating grievance procedures and the terms and conditions of employment for employees of such unit with the school district.

SECTION 3 DUES CHECK OFF. The exclusive representative shall be allowed dues check off for its members, provided that dues check off and the proceeds thereof shall not be allowed to any exclusive representative that has lost its right to dues check off, pursuant to P.E.L.R.A. Upon receipt of a properly executed authorization card of the employee involved, the school district will deduct from the employee's paycheck the dues that the employee has agreed to equal installments, beginning with the first pay period.

SECTION 4 FAIR SHARE. In accordance with P.E.L.R.A., any employee included in the appropriate unit who is not a member of the exclusive representative may be required by the exclusive representative to contribute a fair share fee for services rendered as exclusive representative. The fair share fee for any employee shall be in an amount equal to the regular membership dues of the exclusive representative, less the cost of benefits financed through the dues and available only to members of the exclusive representative, but in no event shall the fee exceed 85 percent of the regular membership dues.

The exclusive representative shall provide written notice of the amount of the fair share fee assessment to the Commissioner, the school district, and to each employee to be assessed the fair share fee.

A challenge by an employee or by a person aggrieved by the assessment shall be filed in writing with the Commissioner, the school district, and the exclusive representative within thirty (30) days after receipt of the written notice. All challenges shall specify those portions of the assessment challenged and the reasons therefore, but the burden of proof relating to the amount of the fair share fee shall be on the exclusive representative. The school district shall deduct the fee from the earnings of the employee and transmit the fee to the exclusive representative thirty (30) days after the written notice was provided, or, in the event a challenge is filed, the deductions for a fair share fee shall be held in escrow by the school district pending a decision by the Commissioner or Court. Any fair share challenge shall not be subject to the grievance procedure.

The exclusive representative hereby warrants and covenants that it will defend, indemnify and save the school district harmless from any and all actions, suits, claims, damages, judgments and executions or other forms of liability, liquidated or unliquidated, which any person may have or claim to have, now or in the future, arising out of or by reason of the deduction of the fair share fee specified by the exclusive representative as provided herein.

ARTICLE 5

ARTICLE 8

GRIEVANCE PROCEDURE

SECTION 1 GRIEVANCE DEFINITIONS: A "grievance" shall mean an allegation by the Union resulting in a dispute or disagreement between the Union and the School District as to the interpretation or application of terms and conditions contained in this Agreement.

SECTION 2 REPRESENTATIVE: The Union, administrator, or School Board may be represented during any step of the procedure and any person or agent designated by such party is authorized to act in that party's behalf.

SECTION 3 DEFINITIONS AND INTERPRETATION:

Subd. 1. Extension: Time limits specified in this Agreement may be extended by mutual agreement.

Subd. 2. Days: Reference to days regarding time periods in this procedure shall refer to working days. A working day is defined as all weekdays not designated as holidays by state law.

Subd. 3. Computation of Time: In computing any period of time prescribed or allowed by procedures herein, the date of the act, event, or default for which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, a Sunday, or a legal holiday, in which event the period runs until the end of the next day which is not a Saturday, a Sunday, or a legal holiday.

Subd. 4. Filing and Postmark: The filing or service of any notice or document herein shall be timely if it is personally served or if it bears a certified postmark of the United States Postal Service within the time period.

SECTION 4 TIME LIMITATION AND WAIVER: Grievances shall not be valid for consideration unless the grievance is submitted in person (face to face) by the Union in writing to the School District's designee or an Administration office employee setting forth the facts and the specific provision of the Agreement allegedly violated and the particular relief sought within (20) twenty days after the date of the first event giving rise to the grievance occurred. Failure to file any grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods hereafter provided shall constitute a waiver of the grievance. Failure of administration to respond within time periods shall constitute a denial of the grievance and the Union may appeal to the next level. An effort shall first be made to adjust an alleged grievance informally between the Union and the School District's designee.

SECTION 5 ADJUSTMENTS OF GRIEVANCE: The School District and the Union shall address all grievances which may arise during the course of employment of any employee within the School District in the following manner:

Subd. 1. Level I: If the grievance is not resolved through informal discussion, the School District's designee shall give a written decision on the grievance to the Union within (20) twenty days in person after receipt of the written grievance.

Subd. 2. Level II: In the event the grievance is not resolved in Level I, the decision rendered may be appealed by the Union to the superintendent of schools, provided such appeal is made in writing within (20) days in person after receipt of the decision in Level I. If a grievance is properly appealed by the Union to the superintendent, the superintendent or designee shall set a time to meet regarding the grievance within (20) days after receipt of the appeal. Within (20) days after the meeting, the superintendent or designee shall issue a decision in writing to the Union.

Subd. 3. Level III: In the event the grievance is not resolved in Level II, the decision rendered may be appealed by the Union to the School Board, provided such appeal is made in writing within (20) twenty days in person after receipt of the decision in Level II. If a grievance is properly appealed by the Union to the School Board, the School Board shall set a time to hear the grievance within (20) twenty days after receipt of the appeal. Within (20) twenty days after the meeting, the School Board shall issue its decision in writing to the Union. At the option of the School Board, a committee or representative(s) of the board may be designated by the board to hear the appeal at this level, and report its findings and recommendations to the School Board. The School Board shall then render its decision.

SECTION 6 SCHOOL BOARD REVIEW: The School Board reserves the right to review any decision issued under Level I or Level II of this procedure provided the School Board or its representative notify the parties of its intention to review within ten days after the decision has been rendered. In the event the School Board reviews a grievance under this section, the School Board reserves the right to reverse or modify such decision.

SECTION 7 DENIAL OF A GRIEVANCE: Failure by the School Board or its representative to issue a decision within the time periods provided herein shall constitute a denial of the grievance and the Union may appeal it to the next level.

SECTION 8 ARBITRATION PROCEDURES: In the event that the Union and the School Board are unable to resolve any grievance, the grievance may be submitted by the Union to arbitration as defined herein:

Subd. 1. Request: A request to submit a grievance to arbitration must be in writing signed by the Union, and such request must be filed in the Office of the Superintendent within (20) twenty days following the decision in Level III of the grievance procedure.

Subd. 2. Prior Procedure Required: No grievance shall be considered by the arbitrator, which has not been first duly processed in accordance with the grievance procedure and appeal provisions.

Subd. 3. Selection of Arbitrator: Upon the proper submission of a grievance by the Union under the terms of this procedure, the Union and School District shall, within ten days after the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on an arbitrator is reached, either party may request the Commissioner to provide a list of arbitrators, pursuant to P.E.L.R.A., providing such request is made within twenty days after the request for arbitration. The parties shall select an arbitrator from this list within thirty days after the receipt of said list by the School District. Failure to agree upon an arbitrator, failure to request an arbitrator from the Commissioner, or failure to select an arbitrator from the list within the time periods provided herein shall constitute a waiver of the grievance.

Subd. 4. Hearing: The grievance shall be heard by a single arbitrator and both the School District and Union may be represented by such person or persons as they may choose and designate, and the parties shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator. The proceeding before the arbitrator shall be a hearing de novo.

Subd. 5. Decision: The decision by the arbitrator shall be rendered within thirty days after the close of the hearing. Decisions by the arbitrator in cases properly before the arbitrator shall be final and binding upon the parties, subject, however, to the limitations of arbitration decisions as provided in P.E.L.R.A. The arbitrator shall issue a written decision and order including findings of fact, which shall be based upon substantial and competent evidence presented at the hearing. All witnesses shall be sworn upon oath by the arbitrator.

Subd. 6. Expenses: The Union and School District shall each bear its own expenses in connection with arbitration including expenses relating to the party's representatives, witnesses, and any other expenses which the party incurs in connection with presenting its case in arbitration. A transcript or recording shall be made of the hearing at the request of either party with the cost of the transcript or recording being borne by the party making the request, unless the parties mutually agree to share the expense. The parties shall share equally fees and expenses of the arbitrator, and any other expenses the parties mutually agree are necessary for the conduct of the arbitration.

Subd. 7. Jurisdiction: The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances properly before the arbitrator pursuant to the terms of this procedure. The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment as defined herein and contained in this written agreement; nor shall an arbitrator have jurisdiction over any grievance which has not been submitted to arbitration in compliance with the terms of the grievance and arbitration procedure as outlined herein; nor shall the jurisdiction of the arbitrator extend to

matters of inherent managerial policy, which shall include but are not limited to such areas of discretion of policy as the functions and programs of the employer, its overall budget, utilization of technology, the organizational structure, and selection and direction and number of personnel. In considering any issue in dispute, in its order the arbitrator shall give due consideration to the statutory rights and obligations of the public School Boards to efficiently manage and conduct its operation within the legal limitations surrounding the financing of such operations.

SECTION 9 ELECTION OF REMEDIES AND WAIVER: A party instituting any action, proceeding or complaint in a federal or state court of law, or before an administrative tribunal, federal agency, state agency, or seeking relief through any statutory process for which relief may be granted, the subject matter of which may constitute a grievance under this Agreement, shall immediately thereupon waive any and all rights to pursue a grievance under this article. Upon issuing a proceeding in another forum as outlined herein, the Union's right to initiate a grievance on behalf of the employee pursuant to this article shall be considered to have been waived or, if the grievance is pending in the grievance procedure, the right to pursue it further shall be immediately waived.

This section shall not apply to actions to compel arbitration as provided in this Agreement; or to enforce the award of an arbitrator; or when the court has so ordered; nor shall this section apply to any situation when its application would be considered unlawful retaliation or reprisal under applicable federal or state law.

ARTICLE 9

HOLIDAYS AND VACATION SCHEDULE

SECTION 1 OBSERVED HOLIDAYS. The following holidays will be recognized without pay: Labor Day, Thanksgiving Day, President's Day, Christmas Day, New Year's Day, Friday following Thanksgiving Day, and two (2) Teacher Convention days, provided, however, that President's Day may be used as a first make-up day because of emergencies and drivers required to work. Provided further, that if Friday following Thanksgiving Day and the two (2) Convention days become days school is in session, drivers shall be required to work at regular pay. Any other holiday worked will be paid at time and one-half.

ARTICLE 10

WORKDAY, WORKWEEK, AND WORK YEAR

SECTION 1 HOURS. Bus drivers shall generally work between the hours of 6:15 a.m. to 9:45 a.m. and 1:30 p.m. to 5:00 p.m., Monday through Friday, plus extra driving work as is assigned below. All driving done within the block of time as specified above shall normally be on a two and one-half (2 1/2) hour continuous time basis for all regular runs, except when the educational needs of the district may require a dismissal for conference days, in service days, snow storms or other emergencies. The Fredenberg run may be assigned on a 3-2 or 2 1/2-2 1/2 hourly basis as needs of the district indicate.

SECTION 2 ADDITIONAL HOURS. Extra driving beyond twenty-five (25) hours shall be assigned and performed on a rotation basis, but in each instance to the driver with the lowest number of hours on the weekly driving assignment sheet. In case of ties, seniority shall prevail. The assignment sheet shall include all paid hours and hours forfeited by each driver. A new weekly assignment sheet shall be initiated annually on the first day of school of the new school term.

SECTION 3 SUMMER SCHOOL RUNS. All regularly scheduled summer school runs shall be assigned by seniority with the most senior person offered the run first and so on down the list. All other runs (i.e., extra driving) during the summer shall be assigned according to Section 2. Employees shall sign up for regularly scheduled summer school runs by May 30 of each year to indicate their availability to drive. The employer agrees to post regularly scheduled summer school runs by May 30 of each year. An employee applying his seniority by accepting a summer run may not bump another driver should a new run become available.

SECTION 4 NOON RUNS. At the beginning of each school year, and for the first three-month period (fall), drivers shall have the opportunity to bid on the noon run on the basis of seniority, starting from the top of the list and working downward. For the second and third three-month periods (winter and spring), the same aforementioned process shall be followed. Once a driver is selected to drive a noon run, that driver shall not be eligible to drive a noon run for the remainder of that school year. If the noon runs go unfilled after exhausting the seniority list, the person who has already driven a noon run may elect to take it. The least senior driver shall be required to drive the available noon run, and inverse seniority shall apply until all noon runs are filled. After completion of the selection process, selection of routes shall be made on a seniority basis. Drivers shall elect to drive or be charged for forfeiting. The assignment shall be included on the weekly assignment sheet and rotated every three (3) months. If, as a result of this section, the District shows an increase in overtime payments, the Union and the District agree to review and correct the problem if one exists.

SECTION 5 OVERTIME. Overtime is work beyond forty (40) hours per week and is an extension of extra driving, and shall be compensated at the rate of time and one-half (1 1/2) based on the extra driving rate(s). The process of assignment shall flow out of the formula found in Section 2 of this article.

SECTION 6 EXTRA DRIVING AVAILABILITY. Drivers who will not be available for extra driving during the school year shall notify the foreman in writing prior to September 1 and prior to January 15. Drivers who request to return shall enter at the highest accumulative total hours on the weekly driving assignment sheet. Newly hired drivers shall also enter at the highest accumulative total hours on the weekly driving assignment sheet.

Employees absent from work because of illness or personal reasons for a short duration not exceeding ten (10) working days shall be charged as per Section 2 of this Article as if they had forfeited their driving time. Employees absent from work for over ten (10) working days shall be entered on the extra driving assignment sheet at the highest accumulative total hours that week the employee returns.

SECTION 7 WORK YEAR. The work year for the bus drivers will be identical to the school calendar. Drivers shall be on duty and provide services, as established by the school calendar, for 177 duty days for the 2017-2018 school year and 177 duty days for the 2018-2019 school year. The Bus Foreman position duty hours are 728 hours per school year.

ARTICLE 11

SAFETY AND HEALTH

SECTION 1 ENFORCEMENT OF SAFETY RULES. Both parties will hold themselves responsible for mutual cooperative enforcement of safety rules and regulations.

SECTION 2 SAFETY. Should an employee complain to the Supervising Administrator that his/her work requires him to be in unsafe or unhealthy situations, in violation of acceptable safety rules, the matter shall be reported to the Director of Business Services. If the matter is not adjusted satisfactorily, the matter will be

reported and discussed with the Superintendent. If further action becomes necessary, the matter will be brought to the attention of the Board of Education. Action beyond this level is available to the employee in that he/she may process the matter as a grievance according to Article 8 of this agreement.

SECTION 3 UNIFORMS. Employees will wear uniforms that the District has agreed to provide and maintain for the Bus Drivers.

SECTION 4 PHYSICAL EXAMINATION. The Employer agrees to pay for a state-required physical examination for all bus drivers. The School District will designate a clinic to perform the physical examination, and work with their staff to design a comprehensive physical examination. Appointments will be established through the district in cooperation with the bus drivers.

ARTICLE 12

EMPLOYER BENEFIT PLANS

SECTION 1 HEALTH AND HOSPITALIZATION INSURANCE.

The selection of the insurance carrier and policy shall be made by the school district.

Effective 9/1/2017, the School District shall contribute a sum not to exceed \$610.00 per month, and effective 9/1/2018 will not exceed \$635.00 per month toward the premium for single or family coverage for all full-time employees (25 hours per week) employed by the School District who qualify for and are enrolled in the School District group health and hospitalization plan.

Health and hospitalization insurance benefits paid to a married couple of employees in the district shall be as follows, subject to the requirements, restrictions and limitations imposed by the District's health and hospitalization insurance provider. Such employees who are part-time shall be entitled to the District contributions specified below on a pro rata basis determined according to the amount of their full-time equivalent position. The options are as follows:

One Family Health and Hospitalization Coverage for Both Employees

The married employees may elect, if eligible, to both be covered by one family group health insurance plan.
