2. In emergency situations, written requests may be submitted after the fact; however, it is understood that the employee will assume the responsibility in such an emergency of notifying his/her immediate supervisor at the earliest possible time.
3. Requests for personal leave shall require no reason;
4. Deductions for personal leave shall be from accumulated sick leave.

SECTION 8. UNION LEAVE: At the beginning of each year, the Education Minnesota-Hermantown Paraprofessional and School Related Personnel Unit shall be credited with a total of four (4) days of non-accumulative paid leave. The annual maximum of four (4) days must be divided between the two (2) elected officials of the Union. The Union shall give three (3) working days' notice of its intention to use the leave. The cost of substitutes, where needed, will be paid for by the Union.

ARTICLE IX

WORK DAY/WORK YEAR

SECTION 1. BASIC WORK DAY: A regular work day for maintenance and janitorial personnel shall consist of eight (8) hours inclusive of a one-half hour lunch for full-time employees.

The regular scheduled work day for a full-time Secretary, Clerk and Receptionist under this Agreement shall be eight (8) hours per day. The workday for all other employees under this contract shall be established by the employer based on need, but will be considered full-time if assigned an eight-(8) hour day including lunch. A part-time employee will be notified of the hours to be worked prior to the beginning of the school year.

SECTION 2. BASIC WORK WEEK: A regular workweek shall consist of forty (40) hours for full-time employees. Said days will be consecutive.

SECTION 3. BASIC WORK YEAR: The regular work year shall be prescribed by the School District each year for regular employees.

SECTION 4. PART-TIME EMPLOYEES: The School District reserves the right to employ such personnel as it deems desirable or necessary on a part-time basis for time less than that of the regular employees.

SECTION 5. OVERTIME:

Subd. 1. For regularly scheduled weekend assignments, holidays, and other emergencies, employees will be paid time and one-half (1 ½) for hours worked over forty (40) per week. The workweek starts at 12:01 A.M. on Monday. Said hours must be assigned and approved by the employee's supervisor.

Subd. 2. Whenever an employee is "called in" to perform extra work, said employee shall be guaranteed a minimum of two (2) hours pay, provided that such "call in" does not constitute an extension of the normal work day as defined in Section 1. If the "call in" time worked is in excess of forty (40) hours per week, pay shall be granted at time and one-half (1 ½).

Subd. 3. All overtime shall be given on a seniority basis, except in an emergency.

SECTION 6. COMPENSATORY TIME: Casual overtime accrued through normal day extension shall be reimbursed by equal compensatory time off or at the rate of time and one-half (1 ½) off if the casual overtime accrued is in excess of forty (40) hours per week. Compensatory time cannot be accumulated to more than forty (40) hours. Compensatory time off is not available to employees providing direct instructional support services to students.

SECTION 7. SHIFTS AND STARTING TIME: All employees will be assigned starting time and shifts as determined by the School District.

SECTION 8. SCHOOL CLOSING: In the event of an emergency the employees may be advised by the administration not to report to work, or if school is closed because of inclement weather, employees will not lose pay for such occasions but may be called upon by the administration to make up time on days that are

consistent with past practice. Late starts or early dismissals are treated just like other emergency school closings. Employees whose extra hours are paid by time sheets will not be paid for such hours unless hours are worked. In the event that school is closed for any emergency, maintenance and janitorial personnel will be available during normal shift for necessary assignments.

ARTICLE X

Christmas Day

New Year's Eve Day

New Year's Day

President's Day (unless school is held this day)

If a holiday falls on a non-working day, an additional day of vacation will be granted to full-time twelve (12) month maintenance department personnel during an employee's regular vacation time. If any employee works on a holiday they will be reimbursed at a rate of time and one-half (1 ½).

Subd. 2. On half-day holidays, P.M. personnel will be allowed to perform their required half-shift duties with the A.M. personnel.

Subd. 3. Weekends: Holidays that fall on weekends will be observed on a day established by the School District.

Subd. 4. School in Session: The School District reserves the right, if school is in session, to cancel any of the above holidays and establish another holiday in lieu thereof. Any legal holiday or holiday which falls within an employee's vacation period shall not be counted as a vacation day. Employees other than maintenance and janitorial personnel will not normally be required to report for work during the recess days as shown on the school calendar unless it is mutually agreed upon.

Subd. 5. Application: In order to be eligible for holiday pay, an employee must have worked a regular work day before and after the holiday unless on an excused illness, leave, or on vacation under these provisions.

Section 2. Vacations: The following vacation schedule has been adopted by the Board of Education for full-time twelve- (12) month maintenance and janitorial personnel:

Subd. 1. Vacation Allowance:

Employees hired after July 1, 1993

5 Days after 1 year of continuous service
10 Days after 3 years of continuous service
15 Days after 7 years of continuous service
17 Days after 12 years of continuous service
20 Days after 15 years of continuous service
25 Days after 20 years of continuous service

Employees hired before July 1, 1993

10 Days after 1 year of continuous service
15 Days after 7 years of continuous service
17 Days after 12 years of continuous service
20 Days after 15 years of continuous service
25 Days after 20 years of continuous service
30 Days after 25 years of continuous service

Subd. 2. Vacation time shall be computed as of July 1 of each year. Effective July 1, 1993, an individual employed after July 1 in any one year, vacation shall be granted at the rate of one/half day per each month of service from the time of employment to July 1, but not to exceed five (5) days. For example, a person employed on March 1 would be allowed two (2) days of vacation effective July 1. Vacation time not used within 14 months after credited (Aug 31st of the next school year) will be forfeited.

Subd. 3. Vacation requests for a vacation period of less than one week must be approved by the Supervisor.

Subd. 4. Personnel will be asked to submit a request for a vacation period of one week or more. Those with seniority shall be given preference. When an employee has been granted his/her requested vacation period, an employee with greater seniority shall have a maximum of 15 days in which to request the same vacation period. After the fifteen (15) days have lapsed, there shall be no altering of vacation periods regardless of seniority. Personnel will be able to divide their vacation time if they so desire. Vacations will be scheduled so no more than three (3) regular employees may be on vacation at one time when school is not in session, and only one (1) regular may be on vacation during scheduled class days, unless agreed to by both parties.

ARTICLE XI

EMPLOYMENT STATUS PROCEDURES

SECTION 1. PROBATIONARY PERIOD: The probationary period for new employees covered by this Agreement shall be six (6) continuous working months, during which time the School District may dismiss a probationary employee for any reason. The dismissal of probationary employees covered by this Agreement is not subject to the grievance procedure of this Agreement.

SECTION 2. CHANGE OF CLASSIFICATION: In addition to the initial probationary period, an employee transferred or promoted to a different classification shall serve a new probationary period of seventy-five (75) consecutive calendar days in any such new classification. During the probationary period, if it is determined by the School District that the employee's performance in the new classification is unsatisfactory, the School District shall reassign the employee to the former classification.

SECTION 3. COMPLETION OF PROBATIONARY PERIOD: An employee who has completed the probationary period may be suspended without pay or discharged only for cause. An employee who has completed the probationary period and is suspended without pay or discharged shall have access to the grievance procedure.

SECTION 4. SENIORITY: For purposes of this Article, "date of hire" shall mean the date on which the employee first reports to work in a position other than casual substitute. In instances where more than one person initially reports to work on the same date, the order of seniority shall then be in accordance with the order of hiring as taken by Board action. There shall be three seniority lists; List 1 - Maintenance Group; List 2 - Clerical Group and List 3 - Paraprofessional Group. Seniority shall terminate if:

1. An employee quits.
2. If an employee is discharged for cause
3. An employee fails to report for work at the termination of a leave of absence.
4. An employee is absent from work for three (3) consecutive days without cause and without notifying the School District.
5. An employee is on layoff status for two (2) calendar years from date of layoff unless he/she received a waiver due to continuing employment.

Nothing contained in this section shall require the School District to retain or rehire any employee who is not qualified to perform the work available. On or before November 1st of each year, the School District shall update the seniority lists, post these tentative lists on the bulletin boards, and provide the Union President with a copy of the tentative lists. Employees have 30 calendar days from this posting to challenge their placement on the seniority list if different from the previous posted official list. After all challenges have been dealt with, the corrected copy will be posted and will become official. Once a seniority list has become official the employee accepts that hire date as accurate. Under no circumstances will challenge be reviewed after the 30 day window.

SECTION 5. JOB POSTINGS: All job vacancies and new positions shall be as follows for the corresponding time:

End of School Year to August 1 – 5 day posting

August 1 to End of School Year – 3 day posting

The methods the District will use for notification will be paper posting at the school sites and an e-mail (if employees have account). An additional mail notification method is available for summer postings from the

end of School Year to August 15th. Upon an employee submitting a written request (including their mailing address) by the end of the school year, they will receive mailed postings over the summer.

Such notice shall state the prerequisites and/or certifications for the position to be filled and such prerequisites and/or certifications shall be consistent with the requirements of the job. Employees shall apply for the vacancy or new position in writing and only those applicants who meet the prerequisites and/or certifications will be considered. The District will automatically, without interview, move the most qualified senior candidate into the vacancy and repost their position. The District retains the right to determine when positions could be modified/consolidated. Final selection of employees for open positions will be made by the administration. The School District may make immediate temporary assignments to fill any vacancy or new position while the job posting procedures are being carried out.

SECTION 6: JOB VACANCIES: Job vacancies will be filled from the ranks of the unit, whenever possible. Recommendations will be made by the Administrator, based on seniority, ability, competence, and will be at the discretion of the Board. Positions may require the possession of a current engineering license, which meets minimum state requirements, CPR, first aid training, computers/typing skills, etc. If all employees applying for the job are qualified for the work, the most senior employee will be promoted. Vacancies for a permanent additional one hour per day or less and for a temporary additional three hours per day or less can be made at the District's discretion, not based on seniority.

SECTION 7. LAYOFF: Seniority for employees on any list under this Agreement shall begin on the date of hire and a seniority list shall be posted on the school premises and brought up-to-date on an annual basis as stated in Section 4. For layoff, seniority shall deal with each seniority list separately. Should it become necessary to reduce the unit's work force, layoff shall be according to seniority within each seniority list. If a layoff is to occur a thirty (30) day notice will be given to all employees affected. If "bumping" is to occur due to seniority, the senior person must be qualified to assume the position which is occupied by the less senior person.

In the event that an employee is laid off and wishes to be considered for rehire, it is the obligation of the employee to notify the School District of where such employee may be contacted for rehire or recall purposes. The School District shall attempt to recall the employee by telephone or correspondence and if such attempt is unsuccessful, a certified mail letter and regular mail letter shall be sent to the employee's last known address. If the employee fails to respond or return to work within ten (10) workdays from the date of receipt of such letter or receipt of notice that such notice is undeliverable, such employee shall have been considered to be removed from the seniority list, unless there is mutual agreement to extend the time limits.

An employee who continues employment with the District (i.e. takes a lesser position) will have the two year recall limitation waived.

When the District determines to reduce the number of employees, temporary, provisional and substitute employees in the respective seniority lists shall be the first to be terminated. Layoffs of permanent employees will be accomplished by inverse order of seniority unless licensing is a factor.

Subd. 1. Job Preference: The following rules shall be applied in the layoff process:

1. At no time is the incumbent whose position is being eliminated or being bumped required to accept a position with fewer hours per year than his or her current position.
2. An employee that chooses to bump into a position below them on the seniority list must bump into the complete position (hours worked per year, pay rate, etc.) of the position being bumped. The employee would also give up rights to their existing position unless (a) none of the positions left below them are equal to their current position in hours or (b) no positions are left for them to bump into.

3. The employee has the option to accept a position with fewer hours per year but would lose their recall rights unless the conditions are met of #2.
4. Any increase or decrease in an employee's hourly rate in the new position shall have no bearing on the layoff process. Instead, an employee's ability to bump another is dependent upon the following two factors: (a) seniority and (b) must also be qualified for the position.
5. Only one bump per employee shall be allowed during the reduction process.
6. If more than one employee is affected by a specific reduction, the most senior employee will be given the first choice of positions.

Subd. 2. Recall:

1. An employee on the recall list who is most senior has first preference after the internal posting, within the same seniority list, to a vacancy.
2. If an employee accepts the recall to the vacancy, the employee has thirty (30) calendar days to report back to work.
3. After a period of two years from the date of the employee's placement on the recall list, the employee's name shall be removed from the recall list unless the limitation was waived due to continuing employment.

Subd. 3. Probationary Period:

1. Any employee who receives a different position as a result of the layoff/recall process shall serve a 75 calendar day probationary period in the new position. An employee will receive compensation according to the provisions in [Schedule A](#).
2. The employee's performance will be reviewed by the 25th, 50th, and 75th calendar day of the probationary period.
3. The employee can request to be put on the recall list during the probationary period, and the request will be granted if the District determines that the reason for the request is acceptable.
4. An employee who makes such a request and has it granted by the District shall be placed at the bottom of the applicable recall list.
5. The employee may be terminated by the District after the probationary period with no right to grieve or challenge the District's decision, except as described below in #6.
6. The Principal/Supervisor will make the initial decision as to whether the employee has passed the probationary period.
7. An employee can challenge a decision that he or she be terminated by having a committee review the decision to evaluate whether the employee's performance during the probationary period was acceptable.
8. The challenge must be made within five (5) working days of the employee being notified that his or her employment has been terminated.
9. The committee must meet and render a decision within five (5) working days after the challenge has been made.

The committee will consist of:

Directly associated principal

Immediate Supervisor or, if this person is the principal above, an outside administrator

Two (2) staff members chosen by the Union executive committee

Each member of the committee must vote on whether the employee's performance during the probationary period has been acceptable. If the vote is a 2-2 tie, then the Superintendent will have the final decision on whether the employee is terminated. The Superintendent's decision is not review able through the grievance procedure contained in the collective bargaining agreement.

SECTION 8. SUSPENSIONS AND DISMISSAL:

Subd. 1. The School Board will act in good faith in the suspension or dismissal of an employee. The following procedures shall be used in situations involving suspension or dismissal:

a) Suspension:

1. An employee can be suspended for just cause with or without pay. Suspension without pay may only be for a maximum of 3 days.
2. The employee shall be served with a written notice of the suspension in person, or by certified mail. A copy of the notice of the suspension shall be forwarded to the Union.
3. Suspension will be for just cause only. The suspension shall be subject to the grievance procedure.

b) Dismissal:

1. The employee shall first be suspended, with or without pay, before dismissal. The employee will be served with a written notice of the dismissal in person, or by certified mail. The written notice will contain the specific charges against the employee. A copy of the written notice will be sent to the Union.

Subd. 2 . Dismissal will be for just cause only. Dismissal shall be subject to the grievance procedure.

ARTICLE XII

GRIEVANCE PROCEDURE

SECTION 1. PURPOSE: The purpose of this grievance procedure shall be to secure solutions to grievances equitably, expeditiously and the lowest administrative level. Grievances may not be brought against the District without the approval and support of the Union.

SECTION 2. GRIEVANCE DEFINITIONS: A "grievance" shall mean an allegation by the Union resulting in a dispute or disagreement between the Union and the School District as to the interpretation or application of terms and conditions contained in this Agreement.

SECTION 3. REPRESENTATIVE: The Union, administrator, or School Board may be represented during any step of the procedure and any person or agent designated by such party is authorized to act in that party's behalf.

SECTION 4. DEFINITIONS AND INTERPRETATION:

Subd. 1. Extension: Time limits specified in this Agreement may be extended by mutual agreement.

Subd. 2. Days: Reference to days regarding time periods in this procedure shall refer to working days. A working day is defined as all weekdays not designated as holidays by state law.

Subd. 3. Computation of Time: In computing any period of time prescribed or allowed by procedures herein, the date of the act, event, or default for which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it

is a Saturday, a Sunday, or a legal holiday, in which event the period runs until the end of the next day which is not a Saturday, a Sunday, or a legal holiday.

Subd. 4. Filing and Postmark: The filing or service of any notice or document herein shall be timely if it is personally served or if it bears a certified postmark of the United States Postal Service within the time period.

Subd. 5. An effort shall first be made to adjust an alleged grievance informally between the Union and the School District's designee.

SECTION 5. TIME LIMITATION AND WAIVER: Grievances shall not be valid for consideration unless the grievance is submitted in person (face to face) by the Union in writing to the School District's designee or an Administration office employee setting forth the facts and the specific provision of the Agreement allegedly violated and the particular relief sought within (20) twenty days after the date of the first event giving rise to the grievance occurred. Failure to file any grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods hereafter provided shall constitute a waiver of the grievance.

SECTION 6. ADJUSTMENTS OF GRIEVANCE: The School District and the Union shall address all grievances which may arise during the course of employment of any employee within the School District in the following manner:

Subd. 1. Level I: If the alleged grievance is not resolved through informal discussion, the School District's designee shall give a written decision on the grievance to the Union within (20) twenty days after receipt of the written grievance.

Subd. 2. Level II: In the event the grievance is not resolved in Level I, the decision rendered may be appealed by the Union to the superintendent of schools, provided such appeal is made in writing within (20) twenty days after receipt of the decision in Level I. If a grievance is properly appealed by the Union to the superintendent, the superintendent or designee shall set a time to meet regarding the grievance within (20) twenty after receipt of the appeal. Within (20) twenty days after the meeting, the superintendent or designee shall issue a decision in writing to the Union.

Subd. 3. Level III: In the event the grievance is not resolved in Level II, the decision rendered may be appealed by the Union to the School Board, provided such appeal is made in writing within (20) twenty days after receipt of the decision in Level II. If a grievance is properly appealed by the Union to the School Board, the School Board shall set a time to hear the grievance within (20) twenty days after receipt of the appeal. Within (20) twenty days after the meeting, the School Board shall issue its decision in writing to the Union. At the option of the School Board, a committee or representative(s) of the board may be designated by the board to hear the appeal at this level, and report its findings and recommendations to the School Board. The School Board shall then render its decision.

SECTION 7. SCHOOL BOARD REVIEW: The School Board reserves the right to review any decision issued under Level I or Level II of this procedure provided the School Board or its representative notify the parties of its intention to review within ten days after the decision has been rendered. In the event the School Board reviews a grievance under this section, the School Board reserves the right to reverse or modify such decision.

SECTION 8. DENIAL OF A GRIEVANCE: Failure by the School Board or its representative to issue a decision within the time periods provided herein shall constitute a denial of the grievance and the Union may appeal it to the next level.

SECTION 9. ARBITRATION PROCEDURES: In the event that the Union and the School Board are unable to resolve any grievance, the grievance may be submitted by the Union to arbitration as defined herein:

Subd. 1. Request: A request to submit a grievance to arbitration must be in writing signed by the Union President or Vice President, and such request must be filed in the Office of the Superintendent within twenty days following the decision in Level III of the grievance procedure.

Subd. 2. Prior Procedure Required: No grievance shall be considered by the arbitrator, which has not been first duly processed in accordance with the grievance procedure and appeal provisions.

Subd. 3. Selection of Arbitrator: The School Board and the Union shall endeavor to select a mutually acceptable arbitrator to hear and decide the grievance. If the School Board and the Union are unable to agree on an arbitrator, they may request from the Commissioner of the Bureau of Mediation Services, State of Minnesota a list of five (5) names. The parties shall alternately strike names from the list of five (5) arbitrators until only one (1) name remains. The remaining arbitrator shall hear and decide the grievance. If the parties are unable to agree on who shall strike the first name, the question shall be decided by a flip of the coin.

Subd. 4. Hearing: The grievance shall be heard by a single arbitrator and both the School District and Union may be represented by such person or persons as they may choose and designate, and the parties shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator. The proceeding before the arbitrator shall be a hearing de novo.

Subd. 5. Decision: The decision by the arbitrator shall be rendered within thirty days after the close of the hearing. Decisions by the arbitrator in cases properly before the arbitrator shall be final and binding upon the parties, subject, however, to the limitations of arbitration decisions as provided in P.E.L.R.A. The arbitrator shall issue a written decision and order including findings of fact, which shall be based upon substantial and competent evidence presented at the hearing. All witnesses shall be sworn upon oath by the arbitrator.

Subd. 6. Expenses: The Union and School District shall each bear its own expenses in connection with arbitration including expenses relating to the party's representatives, witnesses, and any other expenses which the party incurs in connection with presenting its case in arbitration. A transcript or recording shall be made of the hearing at the request of either party with the cost of the transcript or recording being borne by the party making the request, unless the parties mutually agree to share the expense. The parties shall share equally fees and expenses of the arbitrator, and any other expenses the parties mutually agree are necessary for the conduct of the arbitration.

Subd. 7. Jurisdiction: The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances properly before the arbitrator pursuant to the terms of this procedure. The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment as defined herein and contained in this written agreement; nor shall an arbitrator have jurisdiction over any grievance which has not been submitted to arbitration in compliance with the terms of the grievance and arbitration procedure as outlined herein; nor shall the jurisdiction of the arbitrator extend to matters of inherent managerial policy, which shall include but are not limited to such areas of discretion of policy as the functions and programs of the employer, its overall budget, utilization of technology, the organizational structure, and selection and direction and number of personnel. In considering any issue in dispute, in its order the arbitrator shall give due consideration to the statutory

rights and obligations of the public School Board to efficiently manage and conduct its operation within the legal limitations surrounding the financing of such operations.

SECTION 10. ELECTION OF REMEDIES AND WAIVER: A party instituting any action, proceeding or complaint in a federal or state court of law, or before an administrative tribunal, federal agency, state agency, or seeking relief through any statutory process for which relief may be granted, the subject matter of which may constitute a grievance under this Agreement, shall immediately thereupon waive any and all rights to pursue a grievance under this article. Upon issuing a proceeding in another forum as outlined herein, the Union's right to initiate a grievance on behalf of the employee pursuant to this article shall be considered to have been waived or, if the grievance is pending in the grievance procedure, the right to pursue it further shall be immediately waived.

This section shall not apply to actions to compel arbitration as provided in this Agreement; or to enforce the award of an arbitrator; or when the court has so ordered.

ARTICLE XIII

RETIREMENT BENEFITS

SECTION 1. 403(B) MATCHING PLAN FOR NEW HIRES AFTER JULY 1, 2017 AND EMPLOYEES WHO HAVE FILED AN IRREVOCABLE ELECTION BY APRIL 1, 2018: Fulltime employees hired before July 1, 2017, may participate in the 403(b) matching plan (hereafter referred to as MP). The provisions of this article will entirely replace Article XIII, Section 2. *Post-employment health Benefits for Non-matching Plan* Participants all contractual provision when all paraprofessionals who elected the Retirement Benefits have terminated active employment at the District.

Subd. 1. Part-time and temporary employees are not eligible to participate in the MP and cannot count their part-time or temporary service years toward the eligibility for the MP. In the event a participating employee has a change in assignment or a reduction to part-time during the school year, the employee must continue participation at the same rate for the remainder of that school year. The paraprofessional would be ineligible to participate in the subsequent year if their part-time status was still in place.

Subd. 2. Amount. The District shall contribute one (\$1) dollar for each on (\$1) dollar that the employee contributes to a 403(b) plan up to a maximum contribution.

Subd. 3. Enrollment. The eligible employee must complete a salary reduction authorization agreement no later than May 15, 2019 and May 15, 2020 in order to receive the match for the following school year.

Subd. 4. Changes. Once an employee has initiated the District match, participation will continue at the same level unless the employee notifies the District in writing of a change. Changes in an employee's level of participation shall be allowed only if provided by May 15, 2019 and May 15, 2020 and shall be effective at the start of the work year as defined in Schedule A of this Contract Agreement.

Subd. 5. The District will match the employee elected deferral, not to exceed the annual match maximum according to the District's matching contribution schedule. This amount is limited in accordance with state law.

Subd. 6. The annual match cannot exceed half of whatever the employees annual deferral limit is. The employee must contribute the same dollar amount of their own money in order to receive the plan’s match.

Subd. 7. The schedule of the District matching contribution, effective as of September 1, 2018 is as follows:

Years of Completed Service	Annual District Match Maximum	District Per Pay Period Match
0 – 1	\$0	\$0
2 – 10	\$240	\$10
11 – 14	\$480	\$20
15 – 19	\$720	\$30
20 +	\$960	\$40

Subd. 9. The District will match the employee’s elected amount, not to exceed the annual match maximum according the previous schedule. The employee annual amount is limited in accordance with state law. The lifetime maximum contribution by the District may never exceed \$13,680. In the last eligible year before the lifetime maximum contribution is met, the contribution will be reduced to achieve the proper lifetime maximum.

Subd. 10. This amount will be paid by the District over 24 pay periods and deducted from the employee check over 24 pay periods. The amount does not change as salaries fluctuate, except in a case where an employee’s employment is interrupted. When the interruption is unpaid, the employee will not receive their matching contribution.

SECTION 2. POST-EMPLOYMENT HEALTH BENEFITS FOR NON-MATCHING PLAN PARTICIPANTS: This section is only available for employees hired before July 1, 2017 and not filing an irrevocable election to participate in the MP identified in section 1.

Retiring employees not on the matching plan may continue on the then-existing retiree hospitalization and medical insurance group plans provided that they have worked for the School District ten (10) consecutive years immediately previous to retirement. Any employee, not participating in the MP, who has accumulated unused sick leave time, shall have credited to his/her account for payment, upon retirement, of hospitalization and medical insurance in an amount equal to the number of days of accumulated sick leave time (not exceeding the maximum days in [Article VIII, Subd. 2b.](#)) times their average daily earnings during the last payroll period prior to retirement. The retiring employee must elect to have single or family coverage by such insurance, in the then existing retiree subgroup, with the cost thereof, single or family, assessed to the balance of the account described above.

Subd. 1. The retiring employee must enroll for single or family insurance coverage on or before the effective date of retirement, in the then-existing retiree subgroup, with the cost thereof (single or family) assessed to the balance of the account described above. Forfeiture of post-employment benefits will occur for failure to enroll in the existing retiree hospitalization and medical subgroup, on the effective date of retirement. Any remaining (credit) will revert to the School District.

Subd. 2. If the retired employee dies before all credit in said account has been disbursed, the balance remaining shall be used to provide coverage for the spouse/dependent(s) in the existing retiree

hospitalization and medical subgroup plans, provided they were covered on the date of death. The estate cannot receive any part of this contribution.

Subd. 3. If the monies in said account are exhausted, the employee/spouse/dependent(s) may continue participation in the School District existing retiree hospitalization and medical/dental insurance subgroup plans, at their own expense. If the employee/spouse/dependent(s) cancel the post-employment benefits provided above, they cannot re-enroll in the retiree subgroup.

Subd. 4. In applying these provisions, the employee's daily rate of pay shall be the basic daily rate at the time of retirement, as provided in the basic salary schedule for the basic school year, and shall not include any additional compensation for extracurricular activities, extended employment or other extra compensation.

Subd. 5. Post-employment benefits shall be paid by the School District but shall not be granted to any employee who is discharged by the School District.

ARTICLE XIV

MISCELLANEOUS
