2. **DAYS:** Reference to days regarding time periods in this procedure shall refer to working days. A working day is defined as all week days not designated as holidays by state law.
3. **COMPUTATION OF TIME:** In computing any period of time prescribed or allowed by procedures herein, the date of the act, event, or default for which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, a Sunday, or a legal holiday, in which event the period runs until the end of the next day which is not a Saturday, a Sunday, or a legal holiday.
4. **FILING AND POSTMARK:** The filing or service of any notice or document herein shall be timely if it is personally served or if it bears a certified postmark of the United States Postal Service within the time period.
5. **TIME LIMITATION AND WAIVER:** Grievances shall not be valid for consideration unless the grievance is submitted in writing to the School District's designee on behalf of the employee by the Association, setting forth the facts and the specific provision of the Agreement allegedly violated and the particular relief sought within twenty days after the date of the first event giving rise to the grievance occurred. Failure to file any grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods thereafter provided shall constitute a waiver of the grievance. An effort shall first be made to adjust an alleged grievance informally between the Association and the School District's designee.

At the option of the School Board, a committee or representative/s of the Board may be designated by the Board to hear the appeal at this level, and report its findings and recommendations to the School District. The School District shall then render its decision.
9. **SCHOOL DISTRICT REVIEW:** The School Board reserves the right to review any decision issued under Level I of this procedure provided the School Board or its representative notify the parties of its intentions to review within ten days after the decision has been rendered. In the event the School Board reviews a grievance under this section, the School Board reserves the right to reserve or modify such decision.
10. **DENIAL OF GRIEVANCE:** Failure by the School Board or its representative to issue a decision within the time periods provided herein shall constitute a denial of the grievance and the Association may appeal it to the next level.
11. **ARBITRATION PROCEDURES:** In the event that the Association and the School Board are unable to resolve any grievance, the grievance may be submitted to arbitration as defined herein:
12. **REQUEST:** A request to submit a grievance to arbitration must be in writing signed by the Association, and such request must be filed in the office of the Superintendent within ten days following the decision in Level II of the grievance procedure.
13. **PRIOR PROCEDURE REQUIRED:** No grievance shall be considered by the arbitrator which has not been first duly processed in accordance with the grievance procedure and appeal provisions.
14. **SELECTION OF ARBITRATOR:** Upon the proper submission of a grievance under the terms of this procedure, the parties shall, within ten days after the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on an arbitrator is reached, either party may request the commissioner to appoint an arbitrator, pursuant to P.E.L.R.A., providing such request is made within twenty days after request for arbitration. The request shall ask that the appointment be made within thirty days after the receipt of said request. Failure to agree upon an arbitrator or the failure to request an arbitrator from the commissioner within the time periods provided herein shall constitute a waiver of the grievance
15. **HEARING:** The grievance shall be heard by a single arbitrator and both parties may be represented by such person or persons as they may choose and designate, and the parties shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator. The proceeding before the arbitrator shall be a hearing denovo.

16. **DECISION:** The decision by the arbitrator shall be rendered within thirty days after the close of the hearing. Decisions by the arbitrator in cases properly before the arbitrator shall be final and binding upon the parties, subject, however, to the limitation of arbitration decisions as provided by P.E.L.R.A. The arbitrator shall issue a written decision and order including findings of fact which shall be based upon substantial and competent evidence presented at the hearing. All witnesses shall be sworn upon oath by the arbitrator.
17. **EXPENSES:** Each party shall bear its own expenses in connection with arbitration including expenses relating to the party's representatives, witnesses, and any other expenses which the party incurs in connection with presenting its case in arbitration. A transcript or recording shall be made of the hearing at the request of either party. The parties shall share equally fees and expenses of the arbitrator, the cost of the transcript or recording if requested by either or both parties, and any other expenses which the parties mutually agree are necessary for the conduct of the arbitration. However, the party ordering a copy of such transcript shall pay for such copy.
18. **JURISDICTION:** The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances properly before the arbitrator pursuant to the terms of this procedure. The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment as defined herein and contained in this written agreement; nor shall an arbitrator have jurisdiction over any grievance which has not been submitted to arbitration in compliance with the terms of the grievance and arbitration procedure as outlined herein; nor shall the jurisdiction of the arbitrator extend to matters of inherent managerial policy, which shall include but are not limited to such areas of discretion or policy as the functions and programs of the employer, its overall budget, utilization of technology, the organizational structure, and selection and direction and number of personnel. In considering any issue in dispute, in his/her order the arbitrator shall give due consideration to the statutory rights and obligations of the School District to efficiently manage and conduct its operation within the legal limitations surrounding the financing of such operations.
19. **ELECTION OF REMEDIES AND WAIVER:** A party instituting any action, proceeding or complaint in a federal or state court of law, or before an administrative tribunal, federal agency, state agency or seeking relief through any statutory process for which relief may be granted, the subject matter of which may constitute a grievance under this Agreement, shall immediately thereupon waive any and all rights to pursue a grievance under this article. Upon instituting a proceeding in another forum as outlined herein, the Association shall waive the right to initiate a grievance pursuant to this article or, if the grievance is pending in the grievance procedure, the right to pursue it further shall be immediately waived. This section shall not apply to actions to compel arbitration as provided in this Agreement or to enforce the award of an arbitrator.

FINALITY: Any matters relating to the current Agreement term, whether or not referred to in this Agreement, shall not be open for negotiation during the term of this Agreement.

SEVERABILITY: The provisions of this Agreement shall be severable, and if any provision thereof or the application of any such provision under any circumstances is held invalid, it shall not affect any other provisions of this agreement or the application of any provision thereof.
