

Hermantown Elementary School Distance Learning Plan for Title I

Purpose: Title 1 interventions will continue during our Distance Learning.

- I. Once a week we will send home an activity sheet with a variety of different activities on Seesaw.
 - A. For Kindergarten, this will be a variety of letter, letter sounds and blending word activities. We are asking you to complete five activities each week.
 - B. The 1st - 4th grade will also have a five column activity sheet with an attached story. They will have activities extending our 5 areas of concentration in reading which are fluency, word work, vocabulary, writing, and comprehension. The activities will go along with the story.
- II. I would encourage you to help your child with 1 activity in each column each week. Maybe pick 1 per day. The only **MUST DO** activity is a recording of themselves reading their weekly story and send it back via SeeSaw.
